

## Voice Acting Workshop

### Learning Outcomes:

- Students will explore the fun and creative world of Voice Acting!
- Students will have the opportunity to read commercial and animation scripts and experience what it's like to create appealing and lively characters.
- We will learn basic script analysis and voice acting techniques.

### Instructor Profile

**Instructor – Voice Acting  
- Vancouver Film School**

Maryke has been acting professionally for 34 years, working extensively in theatre, on-camera and voiceover. She has focused on Voice Acting for the past 20+ years amassing thousands of credits in animated productions and commercials. Maryke has been teaching kids, teens and adults for more than 20 years. She works as an acting coach for several animated series and in demand as a private coach for budding and professional actors.

### Workshop Content:

- What is Voice Acting?
- How do I approach a script?
- How can I change the sound of my voice for different characters?
- Create your own cartoon character!
- A day in the life of a voice actor

### Opportunities:

Film, TV business, Radio announcing, animation, TV and Radio commercials, Live events host and more.
