

## Dog Trainer Workshop

### Learning Outcomes:

- Give dog owners peace of mind the dog will respond to them in a positive way
- Finding what motivates dogs to pay attention to their handlers.
- Use different motivators to engage the dogs
- What is a certified dog trainer and what do they mean. Options for certification
- Behavior and development. Discover if a student dog responds better to rewards or punishments.
- Understanding breed characteristics and biology for effective training.

### Instructor Profile

Camilla has been a teacher for over 12 years, teaching children aged 5 - 18, adults, and animal/human teams in communication and behaviour internationally. In addition to her KPA-CTP certification, she is a TAGteach level one certified and currently working on level two certification. She holds a B.Sc.H in Biology and an ARCT in Speech Arts. She is also a CCUI (Certified Control Unleashed Instructor) and regularly teach dog training in group class settings, private consults and fellow pet professionals.
